ICT Project Nomination Form 2012

The teams choose projects based on this short description. There is no guarantee that your project will be taken, make it sound as interesting and as educational as possible.

---

**Project Title:**

(one line – catchy but informative – approx 6 or less words)

SMC Students’ SmartPhone App

---

**Client retains Intellectual Property:** Yes/No

**Confidentiality Agreement required:** Yes/No (because the project will necessitate being given access to a portal through which information about our students is visible)

---

**Project Description:**

About 3/4 of a page (more than space shown here), give a short background of yourself/business/project area, briefly describe what you want the students to do – make it interesting and appealing.

St Mary’s College is a catholic school for girls from Kinder – Gr 12 and also for Boys from Kinder – Gr 2. We have just celebrated our 144th birthday – the first students started on Feb 3, 1868.

We would like a SmartPhone App (for both android and iPhones) for students in the secondary school which displays their timetable, calendar (which can display details of school events and can also be used to record homework), and other information that could be pulled in from our Learning Management System. We envisage something similar to the app that students at Hutchins use (see www.hutchins.tas.edu.au/hutchins-organiser as an example).

---

**Project Technical Information:**

Two or three lines. If you want particular development tools used (development environments, programming languages, database systems), you must state them. If you have no preferences then leave blank and the students will negotiate with you.

App to be produced for android and iPhones.

---

**Contact Information:**

Client Name (person who will be student contact): Gerardo D’Amico

Phone Number (business hours): 61082570

Mobile Number (if have one): 0400577565

Email Address: gdamico@smc.tas.edu.au

Website (if have one): www.smc.tas.edu.au

Address (where students will visit, not PO Box): St Mary’s College, 164 Harrington St, Hobart.
